

for Multimedia Application

MD-5DRB41

Module Features

- Bluetooth v4.1 specification compliant
- Support simultaneous Bluetooth BR / EDR and multiple low energy connection
- Class2 Level Output Power Available
- Built-in Reference Clock : 26MHz
- RoHS Compliant

Applications

- Wireless gaming controllers
- Wireless HID

Features

- Dimension: 17.5 X 18.5 X 3.0 mm
- Surface Mountable
